M/S MRP AGROTECH INDUSTRIES
UNJHA, INDIA.

ABOUT US

Welcome to **M/S MRP AGROTECH INDUSTRIES**, where tradition meets technology in the art of spice processing since 1956. As a leading processor of whole spices, we are a **BRC-Certified Unit**. We specialize in transforming raw, farm-fresh spices into premium-quality products ready for global distribution.

Our state-of-the-art facilities include a **2 Buhler Sortex Plant , 5 Cleaning Plant , 1 Grinding Plant**, all designed to uphold the highest standards of quality and hygiene. The Buhler Plant employs cutting-edge technology to sort and refine our products to perfection .Our Cleaning Plant meticulously removes impurities, guaranteeing purity and safety in every batch. The Grinding Plant ensures that our spices maintain their robust flavors and natural oils, while.

At **M/S MRP AGROTECH INDUSTRIES**, we are passionate about preserving the authentic essence of spices. From procurement to processing, our commitment to quality control and sustainability is unwavering. We proudly support local farmers, uphold ethical sourcing practices, and consistently strive to exceed customer expectations.

“let’s Create Something Extraordinary Together!”

SIZE AVAILABLE

OUR PRESENCE AND AVAILABILITY

At **MRP AGROTECH INDUSTRIES**, we take pride in our long-standing presence in the spice industry, which has spanned over 69 years. Based in Unjha, Gujarat, one of India's most prominent spice-producing regions, we have built a solid reputation for providing high-quality whole spices and powdered spice products to customers both in India and Internationally.

VISION

At **M/S MRP AGROTECH INDUSTRIES**, we are committed to becoming a globally trusted supplier of premium whole spices. With a focus on purity, authenticity, and sustainability, we source the finest spices directly from farms and ensure they retain their natural aroma, flavor, and potency.

Our vision is to bridge the gap between traditional spice cultivation and international markets, delivering superior-quality spices while empowering local farmers. We adhere to stringent quality standards, ensuring that every batch meets global export regulations.

Over the years, we have built a robust supply chain network to direct export in UAE and London and also working directly with exporters across regions to provide them with high-quality products. we aim to bring the rich essence of nature to kitchens worldwide.

Through innovation, ethical sourcing, and customer satisfaction, we envision a world where the finest spices from their origins reach every corner of the globe.
